Thank Your Cleaner Day New Zealand

In 2015 BSCNZ, with the support of Karcher, launched Thank Your Cleaner Day™ to recognise the tens of thousands of skilled, hard working cleaning staff who work day, night and weekends to keep your working and living environments clean, safe and hygienic.

The Building Service Contractors of New Zealand (BSCNZ) is proud to be the vehicle behind Thank Your Cleaner Day™ and would like to encourage you to join us on the 18th of October 2023 to make their day special.

Why should your business get involved?

Your support will be recognised and appreciated by your customers, staff, cleaning contractors and suppliers within the industry.
