Thank Your Cleaner Day New Zealand

POWERED BY **KÄRCHER**

In 2015, Thank Your Cleaner Day™ was launched by the Building Service Contractors of New Zealand (BSCNZ), with generous support from Kärcher. The initiative was born from a simple yet powerful idea conceived by Lance Pattullo and Michelle Boag—to shine a spotlight on the tens of thousands of skilled, dedicated cleaning professionals who work tirelessly behind the scenes to keep our environments clean, safe, and hygienic.

BSCNZ and Kärcher are proud to be the driving force behind this global movement and invites you to take part in Thank Your Cleaner Day™ on Wednesday, 14 October 2026. It's a chance to show genuine appreciation—whether through a heartfelt thank-you, a small gesture, or a workplace celebration.

Let's make this day meaningful for those who make every other day better!
